

CHILI SANITARY ORDINANCE-102020

The Town of Fremont, Clark County, Wisconsin, Town Board hereby authorizes the following ordinance for the Chili Sanitary District #1.

Any property owners that abandon or vacate a property in the Chili Sanitary District need to file a report with the Sanitary Board and hire a licensed plumber to cap off access to sanitary system.

Proof of this must be provided to the Sanitary Board. If property owner fails to do so, the Chili Sanitary Board will hire a licensed plumber to perform this function and the property owner will be billed for the service along with an additional \$100.00 charge.

**Effective Date:** This ordinance becomes effective upon passage and publication.
